

GRIDIRON CLUB OF MANSFIELD

EST. 1992

P.O. BOX 481, MANSFIELD, MA 02048

4/26/23

The Mansfield High School Football Program and the Gridiron Club of Mansfield has a long standing tradition of supporting military veterans as well as active service military personnel currently serving our nation. The Gridiron Club of Mansfield sponsored the addition of the POW/MIA chair in our home bleachers at Alumni Field and the construction of our one-of-a-kind Hero's Corner at Alumni Field with the flags of all of the military branches proudly displayed. The Gridiron Club and Mansfield Football has also organized the Turkey Brigade to deliver turkeys to local veterans during the holiday season and local veterans are invited to each Thanksgiving Day game as complimentary guests of the Gridiron Club with breakfast being served in a tent in the endzone area reserved for veterans and active service members. The Gridiron Club also looks forward to continuing to be a sponsor of Mansfield's Field of Honor which is celebrated annually every year for the Memorial Day Weekend.

This year we are planning a special Military Appreciation Event on Thanksgiving as we host our long-time rivals from Foxboro High School in our 10:00 am Football game on Alumni Field. With Foxboro and Gillette Stadium hosting the Army vs Navy Football game for the first time in history on Saturday, Dec. 9th, we thought this would be a great time for our event. Our players will wear a military-style green game shirt with a design that will celebrate the past uniforms of the West Point Academy in their games with the US Naval Academy. On the back of the jersey will be the names of veterans who have served our nation so bravely including veterans who died in service to their nation, veterans who received the Purple Heart for being injured in service and possibly some veterans who were members of the Mansfield High School football program as high school students. After the game, these game jerseys will be donated to the families of the veterans as a remembrance for their sacrifices to our nation.

Please consider donating to our Military Appreciation Event by sponsoring a game jersey or multiple game jerseys! Your generous support will help us celebrate the sacrifices of dozens of Mansfield veterans who served our community and nation so bravely!

The Gridiron Club of Mansfield and Head Football Coach Michael Redding
